

Celebrating Women's History Month 2009

A Tribute To Our Fallen Sisters

As part of the Women's Memorial Foundation's commemoration of Women's History Month 2009, we pay tribute to the American Servicewomen who have given their lives in the service of our country while serving as a part of Operations Iraqi and Enduring Freedom. To honor these heroes, the name and photograph of each fallen servicewoman has been added to the Memorial Register, guaranteeing that the story of each of these women has a permanent place in American history. Your group or organization can honor these heroes during Women's History Month by sponsoring a registration or making a donation in memory of any of these women individually, or by conducting a Love Offering, a special donation drive that honors the fallen servicewomen and supports a legacy of service and sacrifice.

The Women's Memorial Foundation presents a special In-Memoriam Honor Roll in tribute to the service and sacrifice of the 120 women who have died in defense of our nation since the Global War on Terror began.

They gave the last full measure:
