Present Arms

Saturday, October 9, 2004

2-4 p.m.

What do stop signs, the Statue of Liberty and the American flag have in common? Find out at the Women's Memorial in October. Learn about our use of symbols in everyday life and in the military. Experience a new side of patriotism as we examine the creation and changes in the American flag and how these changes reflect our nation and its growth. Discuss other national symbols of patriotism, including our five military service flags, and the feelings they evoke. Create your own flag using colors, shapes and textures and share its meaning!

Hunt Through History

Saturday, November 13, 2004

2-4 p.m.

Dig into the past, experience the present and uncover America's long-forgotten history on a scavenger hunt through artifacts, photos, exhibits and much more. Learn about patriotism, symbolism and the women who have served in America's defense for over 225 years. Wear comfortable shoes and clothes for indoor and outdoor activities. Come ready for fun!
