# Sound Off

Kids, have you ever wanted to just SOUND OFF? Get your chance at our exciting and educational Just 4 Kids program. Learn to march in formation while calling cadence with the help of a drill sergeant; be awed by an Army Drill Team; and experience the power of rhythm with The Old Guard Fife and Drum Corps while discovering the importance of motivation, consistency and teamwork. Wear comfortable shoes and clothing for indoor and outdoor activities. Make your reservation today--this program fills up fast--and come ready for lots of fun!

Sound Off is one in a series of two-hour special educational “Just 4 Kids” programs hosted by the Women In Military Service For America Memorial Foundation. Covering a variety of topics and involving various activities, the programs are designed to familiarize attendees with the responsibilities of citizenship, American history, patriotism and, of course, women’s rich heritage of service. All events are open to the public, but seating is limited. Children must be accompanied by an adult.
