## Women's Memorial Celebrates 10th Anniversary

The 10th anniversary of the dedication of the Women In Military Service For America Memorial will be celebrated on November 3, 2007, at 12 PM at the Women's Memorial. Featuring a formal ceremony with military honors and remarks by senior Department of Defense and Administration officials, the program will pay tribute to America's military women, past and present, with a special salute to the servicewomen serving in the Global War on Terror. The program is free and open to the public.

The Candlelight March and Service of Remembrance are two more events scheduled for November 3 and are also free and open to the public. Beginning at the Lincoln Memorial, crossing Memorial Bridge and ending at the Women's Memorial, the march begins at 6 PM and culminates with the Service of Remembrance—a tribute to our fallen servicewomen.

To reserve seats for either event and a candle for the march, those interested in attending, should visit the 10th Anniversary Information Center at [www.womensmemorial.org](http://www.womensmemorial.org) to obtain a reservation form or call 703-533-1155/800-222-2294.

Other 10th Anniversary activities include a Gala Dinner at the National Building Museum on November 1 and a Reunion at the DC National Guard Armory on November 2. Both events are open to the public but tickets must be purchased in advance. For more information about these activities and a reservation form, visit the 10th Anniversary Information Center at [www.womensmemorial.org](http://www.womensmemorial.org) or call 703-533-1155/800-222-2294.

The Women In Military Service For America Memorial is the nation's only major memorial honoring all servicewomen, past and present. Located at the gateway to Arlington National Cemetery, it is readily accessible by Metro (Blue Line). Paid parking is available at the Arlington Cemetery Visitor Center.
